## *Just Good Shorthorns*

That's about the best way to describe the 1949 Pike County offering. When you find a group of breeders who have consistently bred cattle toward one ideal for in some cases as many as 79 years, you are bound to find good cattle. Especially too, when they have always made it a point to secure the best herd bulls available. Several of the herds represented in this sale are now well into the third generation of men as to ownership. You can well be assured that they well appreciate the kind and quality of Shorthorns it takes to meet the demands of both the commercial and thoroughbred cattle producers.

In this 1949 Pike County offering you will have the privilege of selecting from 18 bulls and 37 females, a wide variation in ages that will allow you to purchase what fits your herd needs. From end to end the offering is the kind of Shorthorns these Pike County breeders are proud to produce and the kind you will be proud to own.

Mervin F. Aegerter,  
Sale Manager
